Procedures for maintaining and utilizing physical, academic and support facilities

Various committees are constituted with one of the senior faculty as convener to monitor the maintenance of academic infrastructure and facilities.

Maintenance of Buildings: Maintenance committee head looks after everything connected to construction & maintenance of buildings. College has a Campus Engineer to implement the decisions taken by maintenance committee in connection with maintenance of infrastructure, electrical and plumbing requirements, painting and repairs if any in the campus. In addition, campus engineer attends to the complaints and suggestions from students and faculty.

Maintenance of Campus: The day-to-day cleaning of the campus is maintained by the Maintenance Supervisor who reports to the Campus Engineer. Maintenance Supervisor is provided with a team of contingent staff for housekeeping, sanitation and gardening works in the campus daily. The Maintenance Supervisor prepares a schedule for regular maintenance of the campus.

Maintenance of Library: The infrastructure and facilities available in the library are looked after by the library staff as per the guidelines for library committee head. Library stock verification is carried out annually. Up keep of the library is also looked after by the Maintenance Supervisor. The books and journals are kept clean and tidy by the library assistants who report to the Librarian.

Maintenance of Play Area: The Physical Director is in-charge for the play areas. The cleanliness is maintained with man-power provided by the Campus Engineer.

Maintenance of Labs & Lab Equipment: The Equipment in the labs is monitored by the lab technicians who closely observe their functioning & calibration regularly and report failures to the lab in-charges. The lab in-charges are responsible for the physical safety, preventive and
