Action proposed on Teacher's feedback report

Sl. No	Suggestions	Action proposed
1	The textbooks and reference books of international authors for the courses are to be procured.	The department will take initiative and identified many text books and reference books which are of international authors for each subject and new books will be purchased in library.
2	Syllabus has to be reduced and additional courses have to be introduced like NTPEL.	The faculty members will be suggested to learn courses and update their knowledge which helps them teach in a smooth way.

Action proposed on Alumni feedback report

Sl. No	Suggestions	Action proposed
1	Courses has an extremely diverse span of topics covered only in the field of management both theoretical and practical.	Additional courses in terms of technology helps the students to get opportunities in IT industries.
2	Scope for training on domain/industry-specific software tools.	Will conduct additional classes for the industry specific software tools that are relevant to the real life applications.
