

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is made on 10<sup>th</sup> May in the Year 2022 between Indo German Institute of Advanced Technology, a Project by Govt. of Andhra Pradesh and Govt. of Germany having its office at Industrial Estate, Kancharapalem, Visakhapatnam-530007 (hereinafter referred to as **IGIAT**), on the one part.

and

Baba Institute of Technology And Sciences, P.M. Palem, Bakkannapalem(V), Madhurawada Visakhapatnam, A.P., India, (hereinafter referred to as **BITS College**), on the second part.

In this connection, the following Points are agreed upon:

### 1. Objective

The overall objective is to provide training to the students of BITS College, in the pre-designed courses, and support students on a continuous basis in order to make the students industry competent.

### 2. Recitals

- a. IGIAT is in the business of providing Training and Consultancy Services and other allied business for its Clients worldwide with a vision to become a "Nerve Centre of Industry" for empowering society through advanced technologies and a mission to provide high quality, employment-oriented training & qualification, consultancy and related services in advanced technologies, aimed at making Industry globally competitive and at improving employability of technical personnel including the disadvantaged groups of the society.
- b. BITS College was established with a vision of "To become a leader in Engineering, Technology, Science and Management education by building the talent of youth into dynamic professionals". It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis
- c. The purpose of this agreement is with reference to defining the areas of cooperation, benefiting both the **BITS** and **IGIAT**.

### 3. Scope of Agreement:

#### IGIAT:

- IGIAT to liaison with BITS for providing training to the students and come up with strategy to deliver tailor made courses.
- IGIAT to provide the BITS, the methodology and content of the training for the above interaction.
- IGIAT will provide training on the specified list of Courses to the students and faculty.
- IGIAT will bring latest software and advanced hardware training Kits to BITS for trainings.
- IGIAT will organize Seminars/Workshops at BITS with National and International Experts in the advanced technologies.

#### BITS:

- BITS will identify and provide 30 students per batch.
- BITS would set up a **BITS- IGIAT Technology Center** in the college campus by exclusively naming as above and making available:
  - One furnished Lab/class room with minimum 30 Systems and audio-visual aid.

However BITS can use this lab in all the other free timings.

### 4. Training Support & Methodology

- Training shall be arranged at the BITS premises.
- IGIAT shall provide all support needed for imparting the necessary training to the students of BITS.
- Training is expected to be completed in one academic year.
- Each training program of specified duration will be carried out for two hours on all working days in a week.
- IGIAT and BITS will jointly certify the participants of training programme after successful completion.

### 5. General Agreements

- Both the parties agree that no action / failure on either behalf to act relating to the above proposal will give raise to / serve as the basis for any claim, obligation or liability on either side.
- The trainers of IGIAT are not responsible for any damage / malfunction of hardware or computer system in the BITS labs during the training period.
- The labs identified for training has to be looked after by the respective lab in-charge of the college.

BK

*[Handwritten signature]*

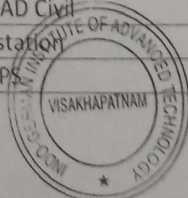

- Neither party shall issue any press release, public announcement or other such disclosure concerning this Agreement without the other party's prior consent as to such release or announcement.
- This Agreement may not be amended without the prior written consent of both the parties.
- Termination: Either party can cancel or terminate this Agreement unilaterally (and without reason), by giving an advance notice of three (3) months to the other.
- This agreement will be affective for three years with affect from the date of signing. However, IGIAT anticipates participation of minimum 50 numbers of students from BITS in one or more courses/Internships/Projects towards continued association with financial benefit duly mentioned within this MoU.

#### 6. Course deliverables:

The courses that could be offered from BITS - IGIAT Technology Center at the partner BITS and the number of beneficiary student are tabled hereunder:

| Mechanical Courses             |   |              |
|--------------------------------|---|--------------|
| #                              | Name of the course  | No. of Hours |
| 1                              | AutoCAD   | 60           |
| 2                              | UniGraphics NX4   | 90           |
| 3                              | CATIA   | 90           |
| 4                              | PRO E/ Creo   | 90           |
| 5                              | Master CAM  | 60           |
| 6                              | ANSYS   | 90           |
| 7                              | CNC Milling and Lathe Programming and Machining                 | 90           |
| 8                              | Solid Works   | 60           |
| Information Technology Courses |   |              |
| #                              | Name of the course  | No. of Hours |
| 1                              | Cisco Certified Network Associate (Module 1, 2 & 3*)            | 180          |
| 2                              | Hardware and Networking (HNW)                                   | 50           |
| 3                              | Web Technologies (HTML, CSS, & Java Script)                     | 70           |
| 4                              | Microsoft .NET Technologies                                     | 90           |
| 5                              | Java&J2EE Technologies  | 90           |
| 6                              | Oracle  | 90           |
| 7                              | Python With AI (Artificial Intelligence) & ML(Machine Learning) | 90           |
| 8                              | Productivity Tools  | 40           |
| 9                              | Information to Technologies                                     | 50           |
| 10                             | C,C++   | 60           |
| Control & Automation Courses   |   |              |
| #                              | Name of the course  | No. of Hours |
| 1                              | Embedded Systems  | 90           |
| 2                              | Programmable Logic Controllers                                  | 60           |
| 3                              | SCADA   | 30           |
| Civil & Infrastructure Courses |   |              |
| #                              | Name of the course  | No. of Hours |
| 1                              | AutoCAD Civil   | 60           |
| 2                              | Total station   | 60           |
| 3                              | GIS/GPS   | 60           |

BH

2

|   |                               |    |
|---|-------------------------------|----|
| 4 | Structural Design (STAAD Pro) | 60 |
| 5 | Autodesk Revit                | 60 |
| 6 | Sketchup and Lumion           | 60 |

\*Practical training on module 3 shall be conducted at IGIAT campus subject to non-availability of required lab equipment at BITS.

We also provide **online** courses for the following

-AWS

-Data Science

- Python with AI (Artificial Intelligence) & ML (Machine Learning)

- IGIAT will follow its standard methodologies related to course conduct, student attendance, globally accepted quality norms, student feedback, internal assessments, projects, examination, evaluation and certification, during the term of the Joint Venture for smooth & effective delivery of course content.
- The above on-site course training will take place at BITS premises and the minimum & maximum student batch size for commencing a batch will be 25 & 30 respectively.
- The above courses can vary from time to time and new courses will be added upon discussion with the two parties.
- The students will get 58% discount to take up the industry certification exam from CISCO (for course marked with\*).
- Course fee can be discussed and decide from time to time on mutually agreed basis.
- BITS fully understands that the same is a fair estimate of the expenditure incurred by IGIAT for designing & developing the program content, acquiring the necessary principal licenses and for providing lectures by National & International experts in the current technologies.
- In the courses that will run at IGIAT, subsidized course fee will be charged to students

7. **Notices:** All notices, requests and other communications under this agreement in connection herewith shall be given to or made upon the respective parties as follows:

To IGIAT - Director, IGIAT

To BITS - Principal, BITS

IN WITNESS WHEREOF THE parties have set their hands hereto on the day and year first hereinabove written under their respective seal of office.

### MINUTES OF UNDERSTANDING & AGREEMENT BETWEEN M/S ELITE GROUP AND M/S BABA INSTITUTE OF TECHNOLOGY

1. We represent M/S Elite Group and proudly bow to thank you for the appointed availed to us at your office to discuss regarding annual contract of training B.Tech in the field of Welding & NDT.
2. Our organization is fully equipped with professional industrial exposure personnel, faculty having both real time and academic experience and holding high and critical equipments in the disciplines of Welding & NDT.
3. Intentions of M/S Elite Group are very responsible and accountable to impart the highest ethical training on both practical and theoretical fronts.
4. Our network with various industries in India and abroad enable us mentor and guide the trained students to support their professional career and welfare with beloved ones.
5. We do make a note of understanding with your college for the conduct of training as per the below guidelines on mutual consent:
  - a. M/S Elite Group to conduct Two days workshop per year in the college premises to create awareness amongst the students.
  - b. Do expect the college management to motivate the students to acquire training in the fields of Welding and NDT at M/S Elite Group premises which is located at Autonagar.
  - c. M/S Elite Group take responsibility to guide the trained students in securing internship / placement in the relevant industries.
